

2017 Report to the Community

COMMUNITY
FOUNDATION
for the *Land of Lincoln*

CHAIR'S MESSAGE TO OUR COMMUNITY

Dear Friends,

Not so long ago, the Community Foundation for the Land of Lincoln was merely a great idea being talked about locally by a handful of people. "How remarkable would it be to build permanent assets that are here for our community for good, forever?" they asked themselves, as they considered the potential of endowment-based philanthropy.

Fifteen years later, the Community Foundation has become much more than a great idea.

From inception to today, the Community Foundation has grown from one fund with approximately \$800,000 in total assets to nearly 200 funds totaling over \$30 million in assets. With tremendous community support, we have been able to award more than \$10 million in scholarships and grants during the last 15 years that serve key needs in education, senior services, health and wellness, arts and culture, historic preservation, and many other charitable sectors.

On behalf of the board and staff of the Community Foundation, I extend our deepest gratitude to all of the dedicated individuals and hardworking nonprofits that helped us reach our 15-year milestone. Our growth can only be attributed to the commitment of our supporters, and our grateful recognition is illuminated in each of the countless lives that have been changed for the better.

I am pleased to present this 2017 annual report to you – a community of givers who, like our founders, know how to turn ideas, hopes and dreams into realities.

Very truly yours,

Bruce E. Thompson
