

2015 REPORT TO THE COMMUNITY

COMMUNITY
FOUNDATION
for the *Land of Lincoln*

Chair's Message to Our Community

Dear Friends,

I am pleased to share the 2015 report from the Community Foundation for the Land of Lincoln. This report is intended to highlight the many ways that generous people such as yourselves have partnered with the Community Foundation over the past year to improve lives in central Illinois.

Like many of you, I have developed great appreciation for the simple but ingenious concept of community foundations: grow permanent, long-term resources for the betterment of the community.

"Permanent, long-term resources." That is something we scarcely hear about these days. During an era of turmoil and uncertainty, I find it reassuring to know that the Springfield area is home to a robust community foundation and hundreds of donors who are developing funding sources that will be here today, tomorrow and long into the future.

As you flip through the pages of this report, I hope you experience this same feeling of pride for our community and hope for the coming years.

You'll see that in 2015 the Community Foundation and local donors:

- Worked with more than 160 funds totaling over \$23 million in assets to award nearly \$1.3 million in grants and scholarships,
- Launched Innovate Springfield to grow start-up businesses and social enterprises, and
- Collaborated with Continuum of Learning partners to issue *Sangamon Success* – a first of its kind look at specific recommendations the community should embrace to improve the educational trajectory of our less advantaged children.

Thank you for making these achievements possible. With your continued support, there's no limit to what we can accomplish together.

Very truly yours,
Arthur H. "Hy" Bunn
Chair, Board of Directors
