Grant Funds Available for Childhood Development and Education Programs

Proposals will be accepted through November 3rd

Springfield – The [Community Foundation for the Land of Lincoln](http://www.CFLL.org) is currently accepting proposals for grant requests from the Future Fund. The Future Fund is the endowment fund of the [Young Philanthropists](#) giving circle. The Fund was established in 2006 in order to create a permanent grantmaking resource for Sangamon County.

The focus area for the award is ***childhood development and education***. Special consideration will be given to collaborative programs that speak to the recommendations outlined in the Sangamon Success report and serve less advantaged children in Sangamon County. One grant of up to \$10,000 will be awarded in 2016. This will be the 11th annual grant from the Future Fund and will bring the total grantmaking from this group to \$69,000.

Access to the online grant application and instructions on completing the proposal can be found on the Foundation's web site: www.CFLL.org. Local nonprofit organizations that serve Sangamon County and provide programs for child development and education are encouraged to submit a proposal before the November 3, 2016 deadline.

If you have any questions about completing a Future Fund proposal or about using the online application system, contact the Community Foundation at 217/789-4431.

Through philanthropic services, strategic grantmaking and community leadership, the Community Foundation for the Land of Lincoln "connects people who care with causes that matter."
