

# 2016 REPORT TO THE COMMUNITY

COMMUNITY  
FOUNDATION  
for the *Land of Lincoln*

## Chair's Message to Our Community

*Dear Friends,*

On behalf of the board and staff of the Community Foundation for the Land of Lincoln, I am pleased to present this 2016 annual report to you – the donors, volunteers and partners who inspire us every day to aim higher in pursuit of a better tomorrow for our community.

It was a year of innovation and imagination for the Community Foundation as we launched Innovate Springfield to spur local entrepreneurialism, hired additional staff to meet new challenges, grew total assets to over \$27 million, and worked side-by-side with you to award nearly \$1.6 million in grants and scholarships to 194 charitable organizations.

Together, we promoted the well-being of our community and ensured its ability to meet critical challenges in the years ahead.

Through strategic collaborations, we pursued Sangamon Success recommendations to improve outcomes for less advantaged children; our giving circles Women for Women and Young Philanthropists experienced robust membership growth and topped their previous annual grant amounts; and the King's Daughters Organization embarked on a year of strategic planning to launch a new grant program rooted in evidence to enhance the quality of life for senior citizens.

All of these achievements – and so many more – were made possible because of you and our community of givers who recognize that we are all a part of something greater, and we are in it together.

Thank you for your support and commitment to making a lasting impact in our community. As the Community Foundation heads into its 15th year, we intend to use this milestone to celebrate philanthropy and draw inspiration from the dreams of local residents who give of themselves for a better future. We look forward to celebrating with you!

*Very truly yours,*

**Arthur H. "Hy" Bunn**

*Chair, Board of Directors*

*We are so pleased to work with the Community Foundation to allow us, and then our children and subsequent heirs in perpetuity, to support important local causes we care about. And, as needs change over time, the Foundation's leaders can help the Stone heirs redirect our fund's donations to new issues that meet the criteria we have set. We are delighted that, through the Community Foundation, we can strengthen forever the city that has given so much to us."*
