SHARE OUR VISION

To create greater community impact through charitable and strategic giving.

SUPPORT OUR MISSION

To introduce younger generations to the power of community philanthropy. Launched in 2006, the goals of Young Philanthropists include:

- Invigorating young community leaders to join together to be philanthropists
- Building a permanent endowment to fund programs that help local children and youth today – and forever
- Inspiring young philanthropists to learn more about themselves as donors

Young Philanthropists

IS ABOUT:

- Uniting like-minded people who make “giving back” a part of their lives through compassion, knowledge, friendship, and philanthropy.
- Learning about the most pressing issues facing local children and youth.
- Working together to address those issues.

Grants are determined through a competitive process with members serving on the selection committee. Grant awards are presented to charities at an annual celebration event.

MEMBERSHIP IS EASY.

Simply complete the attached form and make an annual, tax deductible contribution of \$125 per person – 100% of which will be directed to the **Future Fund**. You may also make your contribution online at www.CFLL.org – Giving/Make a Donation – please specify “**Future Fund**.”

Annual membership contributions are due on or before December 31st of each calendar year. Anyone over the age of 21 and ‘young at heart’ is welcome to join.

Young Philanthropists hosts three events each year at no cost to members. The events are opportunities to meet other members, learn more about local charitable causes and just have fun!
